The Legacy of Experience

Dear Aspirants...

As a Chairperson of the university, it gives me immense pleasure to you in the sprawling campus of Nims University Rajasthan, Jaipur situated in the lap of Aravali Hills which is best self financed university in India.

We at Nims University believes in commitment of Quality of Academics. We also remain firm on the goals that we have set for the future along our quest to impact lives of common folk beyond degree. Nims University has certainly added value to lives of vibrant Rajasthan state by igniting the minds of young ones and transforming them into dedicated professional and entrepreneurs.

While you enter a new academic year, I would suggest that besides learning and being good at subjects like good as Doctor, Engineer, Architect, Scientist, other professional and to serve humanity. These should constitute foundation for your higher education, your career, fulfilling for your responsibilities towards the society and nation at large.

COVID-19 has changed the world and things have become more competitive and at the same time offering enormous opportunities to those who posses appropriate skills, the right attitude and innovative mind. We invest our trust on you. You are our safe source and we bank all our efforts on you. We create not the future instead we craft you for the future even in the tough time of COVID-19.

Large number of students from all over India and overseas have opted Nims University as a preferred Institute for their higher education as there are lots avenues for the students in Nims University.

Once again, welcome you to the Nims University Rajasthan, Jaipur and wish you all the best as you begin your academic journey in a pristine atmosphere.
